

Aerospace Lubricants, Degreasers & Corrosion Protection

High Quality Products Suitable for Various Industries

For more than four decades, LPS Laboratories has provided conveniently packaged maintenance chemicals to aerospace, industrial and military facilities world-wide.

The products designed, engineered, formulated and manufactured by LPS are subjected to strict in-house testing at every stage in the manufacturing process.

In addition, all LPS products undergo rigorous outside and independent laboratory testing to ensure that product performance; quality and safety exceed all typical industry expectations.

Interturbine Aviation Logistics GmbH is your

ONE STOP SOURCE

for all LPS lubricants, degreasers, cleaning solutions and corrosion protection products.

All products are available in various sizes (cans, cartridges, drums, etc.). Please ask your Interturbine representative for more detailed information.

Interturbine also stocks and distributes aerospace oils, greases, lubricants, degreasers and corrosion protection products from other manufacturers.
