

Aerospace Lubricants **Page -1-**

ROCOL® High Performance Lubricants

Rocol pride themselves on producing technically advanced products with industry needs at the core. Each and every product has been developed in the spirit Rocol is renowned for:

- Trusted Superior Performance
- Problem Solving
- High Quality
- Technical Innovation
- Excellent Technical and After-Sales Support

Rocol works with some of the major manufacturing companies within the aerospace industry such as Airbus and Boeing.

Rocol's range of products provides exceptional performance benefits, in an industry where reliability and quality is critical.

Interturbine Aviation Logistics GmbH is your **ONE STOP SOURCE** for all Rocol aerospace products.

Interturbine also stocks and distributes aerospace oils, greases, lubricants, degreasers and corrosion protection products from other manufacturers.

Please contact your Interturbine representative for more information.
