

Press Release

Airbus has transferred the distribution of a dedicated range of seat tracks to Interturbine Logistik GmbH for worldwide distribution through their logistics network.

The range of Airbus proprietary part numbers are shown on Interturbine's website.

From 2nd April 2007 onwards Airbus customers will be able to place orders for these seat tracks directly with Interturbine.

Interturbine will supply the seat tracks via their global distribution network together with a copy of the respective release certificate.

Interturbine's capability offers the following benefits to Airbus customers:

- Significant price reduction compared to current Airbus price catalogue
- Sourcing of seat track parts through Interturbine Logistik with genuine AOG support – 24 hours a day – 7 days a week – 365 days a year
- Procurement through Interturbine's worldwide distribution network
- Interturbine supplies all parts with authorised release certificates (i.e. Airbus EASA Form1)

Additionally Interturbine will continue to supply semi-finished seat tracks as in the past including seat track covers and peripheral material.

One Stop Source Service for all maintenance materials
